

Question & Answers

Law Enforcement Uniform Bid

1. What is considered an “in season uniform Item”? Please provide a detailed list. – Refers to short sleeve/long sleeve uniform items correlating to the weather season.
2. What items are needed for onsite/in store fittings? Please provide a detailed list.
 - a. Ohio sheriff short/long sleeve uniform shirts
 - b. Performance uniform polo shirt
 - c. Ohio sheriff uniform trousers
 - d. Tactical BDU style pant
 - e. Flying Cross softshell jacket
 - f. 6” Boot
 - g. Straw/Felt Ohio sheriff hat
 - h. Leather duty gloves
 - i. Duty gun belt
 - j. Leather velcro belt
 - k. Clip-on tie
3. How much advanced notice will be given for onsite sizing requirements? BCSO requests the ability to immediately send new hires to the vendor location for sizing. A specific day or two per week may be acceptable.
4. There are no customizations (VAS) listed? Please provide a detailed list of customizations for each item/garment. Customizations are consistent with prior requirements. Examples would be button removal, appropriate patches, name strips, service stars sewn on shirts, embroidery on specific shirts, hats, jackets; pants hemmed and shirts tapered.
5. Can we discuss pricing at the end of each year? You can include an inflation percent or average for each year or a set rate for the entire contract with your bid if you choose. We will consider pricing proposals for each vendor bid we receive.
6. The product codes from Gall’s was requested from a bidding vendor. While some of the codes are specific to our agency and will not show product information, most of the codes should provide the item information on the Gall’s website.
